LEVEL ONE

All handlers and dogs enter through the blue gate at the small arena. Dog's leash must be removed prior to opening the red gate to begin course/time.

In the small arena start at the RED gate of the take pen. Dog and handler enter the take pen and proceed counter clockwise around the sheep, then exit pen, leaving sheep in the pen.

Open the gate. Handler and dog take sheep out of pen and fetch sheep to the silver gate. Taking sheep through the gate and turn left.

Begin the 50ft drive through the set of panels to the next set of panels. Proceed to the flagged area of the HTD field.

In the flagged area, begin a 2 minute graze. You will be alerted once the time limit has been reached.

Once graze is over, handler and dog retreat and position themselves at the cone. Handler may leave dog at the cone and position themselves half way between sheep and dog prior to sending dog for the gather. Handler must be standing still at the time of sending the dog on the outrun of the gather.

Handler may move after the lift and proceed toward the house and around the right side of the pine trees and turn left. Proceed to the back side of the pines down the lane way. Sheep may be fetched or driven, handler's call.

Stop the sheep at the cone in the lane way, before proceeding to the blue gate.

Open blue gate and drive the sheep down the right side of the cones to the stock trailer. Open the back door and load the sheep onto the trailer. Close the door. Open the door and remove sheep from the trailer. Level one may go into the trailer with the dog to help unload the sheep. Close the trailer door. Drive the sheep on the right side of the cones and back through the gate.

Once sheep have cleared the gate, proceed down lane way straight to the silver gate of the small arena through the set of panels and to the red gate of the barnyard. Take sheep and offer a drink of water at the tank by the side of the barn. Dog may take a dip in tank without penalty. Sheep may remain at water for 1 min, longer at the discretion of the judge without a time penalty.

Sheep are fetched and taken to the blue gate of the large arena. Any sheep that escape and go into the run in shed will be counted as off line. (sheep must actually break the plane of the doorway to be penalized)

After the sheep entered the large arena, turn left and take sheep the left side of the shade trees to the half maltese cross on the far side of the arena. Sheep must enter the left side to the maltese and go straight over the tarp then on to the pen.

Place all sheep into the free standing pen and close the gate. Remove the sheep out of pen.

Stop and hold sheep off the gate for 30 seconds then re-pen the sheep.

LEVEL TWO

All handlers and dogs enter through the blue gate at the small arena. Dog's leash must be removed just inside the blue gate to begin course/time.

In the small arena, the RED gate of the take pen is the start. Dog and handler enter the take pen. Handler remains at the gate and directs the dog to counter clockwise around the sheep, then dog exits pen, leaving sheep in the pen.

Open the gate. Handler and dog take sheep out of pen and fetch sheep to the silver gate. Taking sheep through the gate and turn left.

Begin the 50ft drive through the set of panels to the next set of panels. Proceed to the flagged area of the HTD field.

In the flagged area, begin a 2 minute graze. You will be alerted once the time limit has been reached.

Once graze is over, handler and dog retreat and position the dog at the closest set of panels prior to sending the dog for the gather. Handler may move to the cone. Handler must be standing still at the time of sending the dog on the outrun of the gather, and remain at cone until lift.

Handler may move after the lift and proceed toward the house and around the right side of the pine trees and turn left. Proceed to the back side of the pines down the lane way. Sheep may be fetched or driven, handler's call.

Stop the sheep at the cone in the lane way, before proceeding to the blue gate.

Open blue gate and with handler remaining at the gate, drive the sheep down the right side of the cones to the stock trailer. Once sheep are half way to trailer, handler may leave gate. Open the trailer door and load the sheep onto the trailer. Once all sheep are loaded, close the door. Open the door and remove sheep from the trailer. Close the trailer door.

Drive the sheep on the right side of the cones and back through the gate.

Once sheep have cleared the gate, proceed down lane way straight to the silver gate of the small arena through the set of panels and to the red gate of the barnyard. Take sheep to barn and offer a drink of water at the tank by the side of the barn. Dog may take a dip in tank without penalty. Sheep may remain at water for 1 min. longer at the discretion of the judge without a time penalty.

Sheep are gathered and taken to the blue gate of the large arena. Any sheep that escape and go into the run in shed will be counted as off line. (sheep must actually break the plane of the doorway to be penalized)

After the sheep entered the large arena, proceed to the free standing pen, sort any 5 sheep into the free standing pen.

Take the remaining sheep and fetch/drive to the half maltese cross on the far side of the arena. Sheep must enter the north side to the maltese and exiting the south end once they have passed over tarp. Handler may not move past the north opening of maltese until all the sheep have exited the south end.

Return to the free standing pen and remove those sheep to rejoin the group.

Stop and hold sheep 30 seconds off the gate. This must be accomplished in the area between the free standing pen and the re-pen gate.

LEVEL THREE

All handlers and dogs enter through the blue gate at the small arena. The leash must be removed just inside the blue gate to begin course/time.

In the small arena, the RED gate of the take pen is the start. Dog enters the take pen. Handler remains at the gate and directs the dog to counter around the sheep, taking sheep out of pen.

Open the gate. Handler and dog take sheep out of pen and fetch sheep to the silver gate. Taking sheep through the gate and turn left.

Begin the drive through both sets of panels to the flagged graze area in the HTD field.

Once at the flagged area, begin a 2 minute graze. You will be alerted once the time limit has been reached.

Once graze is over, handler and dog retreat to the cone closest to the pine trees prior to sending the dog for the outrun.

Handler may move after the lift and proceed toward the house and around the right side of the pine trees and turn left. Proceed to the back side of the pines down the lane way. Sheep may be fetched or driven, handler's call.

Stop the sheep at the cone in the lane way, before proceeding to the blue gate.

Open blue gate and with handler remaining at the gate, drive the sheep down the right side of the cones to the stock trailer. Once sheep are settled to trailer, handler may leave gate and proceed to trailer. Open the trailer door and load the sheep onto the trailer. Once all sheep are loaded, close the door. Open the door and remove sheep from the trailer. Close the trailer door. With handler standing at the trailer. Drive the sheep on the right side(north side) of the cones and back through the gate. Dog holds sheep at the gate until handler opens.

Sheep are to proceed down lane way straight to the silver gate of the small arena are driven through the set of panels and to the red gate of the barnyard. Take sheep to barn and offer a drink of water at the tank by the side of the barn. Dog may take a dip in tank without penalty. Sheep may remain at water for 1 min. longer at the discretion of the judge without a time penalty.

Sheep are re-gathered and taken to the blue gate of the large arena. Any sheep that escape and go into the run in shed will be counted as off line. (sheep must actually break the plane of the doorway to be penalized)

After the sheep entered the large arena, proceed to the free standing pen, sort the **marked** 5 sheep into the free standing pen.

Take the remaining sheep and drive to the south end of the half maltese cross on the far side of the arena. Sheep must enter the south side to the maltese and exiting the north end only after they have passed over tarp. Handler remains at the free standing pen.

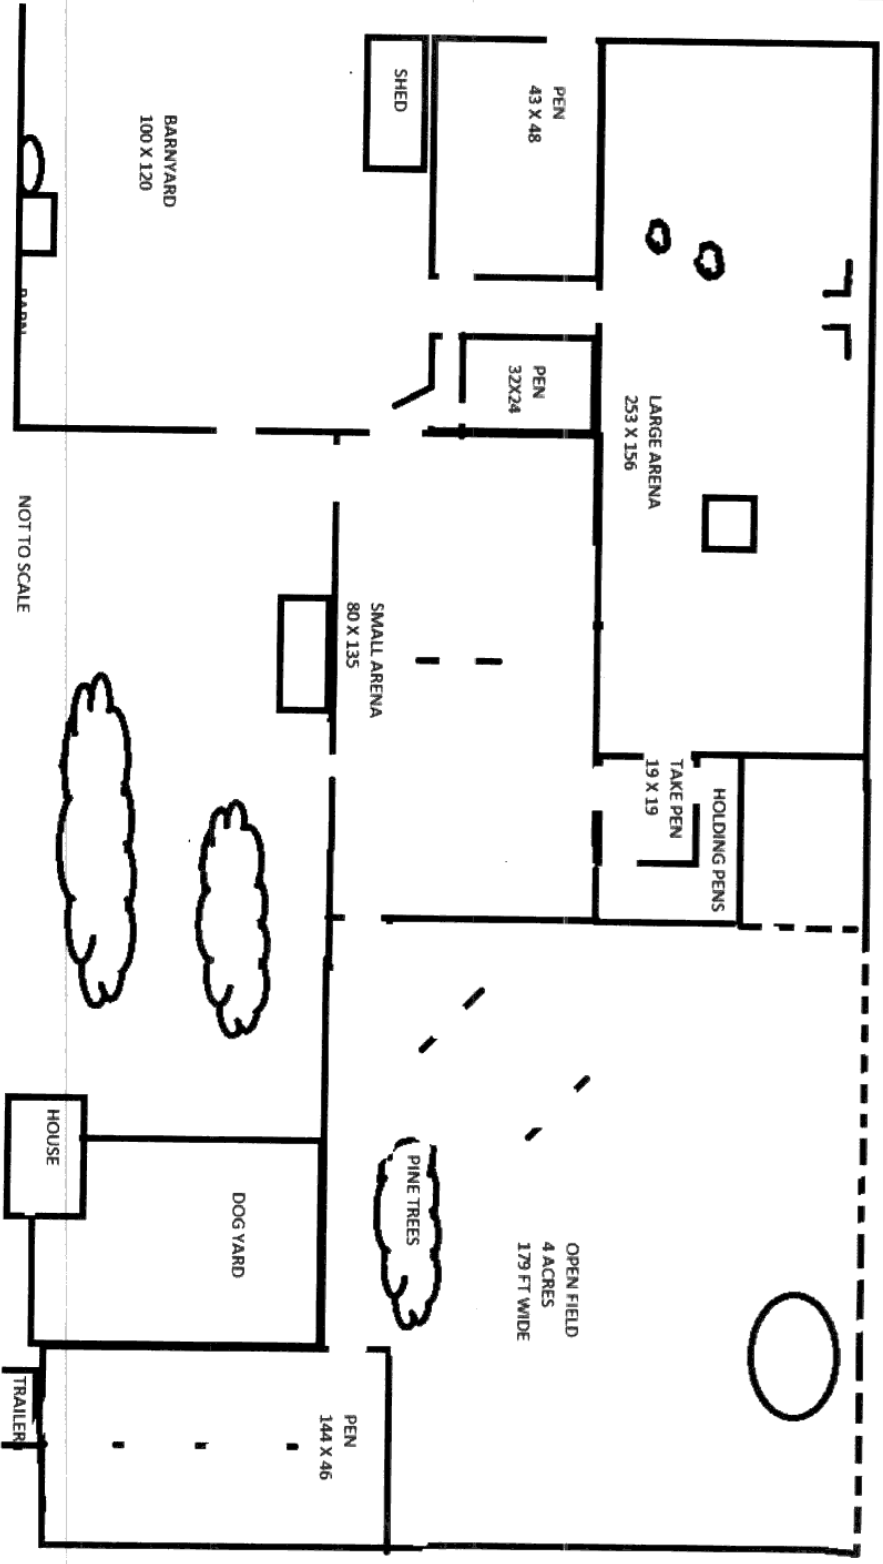

Handler may leave the free standing pen and walk to the shade trees.

After sheep have cleared the maltese, the dog fetches the sheep to the south side of the shade trees and held for 1 min.

Return to the free standing pen and remove the penned sheep to rejoin the group.

Stop sheep and perform a shed. This must be accomplished in the area between the free standing pen and the re-pen gate. At least 30 feet from the gate.

Repen all the sheep.
