- HC cattle each day (combined scores from a.m./p.m. trials)
- HC ducks each day (combined scores from a.m./p.m. trials)

Rules for HC weekend awards:

- Each dog competing must be entered in all trials and all classes on each day to be eligible for any high combined award.
- The Most Promising Started Aussies and MPS-other breed does not require entry in all trials but the dog must be entered in all classes of stock in started in at least two trials. Only started scores will be counted toward the total of MPS-Aussie or MPS-other breed awards. For the started awards we use only the two highest started scores from each class of stock to compute the combined score. This provides the opportunity for dogs to move up to open after two qualifying runs if the handler wishes to do so. If the handler of a started Aussie or OB wishes to compete for the High Combined Non WTCH or HC Other Breed awards (instead of MPS), that intention must be declared before the start of the trial.
- A dog can only compete for one award category and if there are multiple possible awards, the handler must declare which award is being sought before the trial begins.
- For weekend awards to be received there must be at least two dogs competing for the award.
- All scores will be included in the total for high combined awards except where noted.

ASCA® rules apply. ASC of ID and their members assume no responsibility for any loss, damage, or injury sustained by an exhibitor, handler, dog, property, child or spectator. No entry fee will be refunded if the show cannot open or be completed due to riots, civil disturbances, acts of God, public emergencies, weather, or other events beyond the control of ASC of ID. Entries must be made on the official ASCA® entry forms (attainable at: www.asca.org - select: Forms and Rulebooks).
